California District Attorneys Association Launch 3-Day National Summit on Body Cameras
Tuesday Lunch with Keynote Speaker Inspector Stephen Goodier, Hampshire, United Kingdom, BWV National Lead

WHAT: The California District Attorneys Association Foundation is presenting a two-and-a-half-day summit to provide unbiased information about body-worn cameras. The event is intended to help policy makers and leadership develop coherent, current, and sensible policies about the body camera technology being made available to law enforcement today.

The summit will feature panels, training, and roundtable discussions presented by, among others, members the California Legislature, law enforcement and firefighters, technical experts, and community social advocates. Summit attendees include members of law enforcement, deputy district attorneys, mayors, and police chiefs.

Body camera demonstration rooms are available to truly understand the abilities of this technology.

WHERE: Hyatt Regency Orange County
11999 Harbor Blvd, Garden Grove, CA 92840

WHO: The California District Attorneys Association is the source of continuing legal education and legislative advocacy for its membership. In addition to offering seminars, publications, and extensive online tools, CDAA serves as forum for the exchange of information and innovation in the criminal justice field to its members and the public.

PARTNERS: Summit partners and endorsing agencies include:

- California District Attorneys Association
- California District Attorney Investigators’ Association
- California Highway Patrol, California Peace Officers’ Association
- California Police Chiefs Association
